

2018 AUSTRALIAN JUNIOR CHESS CHAMPIONSHIP

PROBLEM SOLVING

MELBOURNE

NAME: _____

AGE GROUP (circle): U8 U10 U12 U14 U16 U18

DATE OF BIRTH: _____

(circle): BOY GIRL

You will have up to **2 hours** for the problem solving paper. You may not need all that time. The questions are ordered according to estimated difficulty, easiest first. It is recommended to start at the beginning and work through in approximate order. You will be able to use your chess board and pieces to assist in your answers.

Please write your solution in the space provided below the diagram. For endgame questions, go far enough to reach a clearly winning, or drawing, position. Partial answers may receive partial credit. The marks allocated to each question is listed in the paper and totals **120**.

Solve as many problems as you can, but there is no expectation that you will solve them all!

Question 1

Show the main idea whereby white wins the ending. White to move. [5 marks]

Answer:

Marks/5
